

Join us for a webinar discussing the efforts to promote antimicrobial stewardship interventions in rural locations in Canada. We will hear from a senior pharmacist in rural Saskatchewan about her experiences promoting more appropriate antimicrobial use in the local area. Bring questions or add comments based on your experience of AMS in rural settings to help broaden perspectives.

Small but Mighty: Promoting Antimicrobial Stewardship Activities in Rural Locations

Date:

June 18, 2025

Time:

9 am PT / 10 am MT / 11 am CT / 12 pm ET / 1 pm AT / 1:30 pm NL

Location:

Zoom (link will be sent following registration)

Moderator:

Jason R. Vanstone, PhD
Research Scientist – Stewardship
and Clinical Appropriateness

Regina General Hospital,
Saskatchewan Health Authority

Speaker:

Katherine Neil, BSP, ACPR,
Senior Pharmacist

Lloydminster Hospital,
Saskatchewan Health Authority

Learning Objectives:

At the end of this session, participants will have:

- A deeper understanding of circumstances that influence antimicrobial stewardship decisions in rural settings;
- Ideas for potential supports, resources or other opportunities for AMS that could be helpful in rural community settings;
- Knowledge of evidence-based approaches that can be implemented in a small community hospital setting, including auditing, antibiotic time outs, prescriber education and advocacy.
