

Join this engaging session highlighting opportunities for antimicrobial stewardship (AMS) in human, animal, and environmental health domains. NCCID and AMMI Canada welcome leaders in AMS from across Canada for the launch of the 'CANAMS!' series. Coming webinars share what has been done to implement AMS, with the goal to inspire what CAN be done.

Three Can-Do Outlooks on AMS:

A One Health Opener for the CANadian Antimicrobial Stewardship Series

Date: April 22, 2024
Time: 9 am PT / 10 am MT / 11 am CT / 12 pm ET / 1 pm AT / 1.30 pm NFL.
Location: Zoom (link will be sent following registration)

Yoav Keynan,
