

Infectious Diseases Specialist

The Division of Internal Medicine at Quinte Health Belleville General Hospital is seeking an Infectious Diseases Specialist.

Quinte Health is accepting applications for an Infectious Diseases Specialist to join the Medicine Department. Candidates must possess exceptional interpersonal & collaborative skills, be dedicated to service excellence, and a strong team player. Participation in the internal medicine call roster will be part of the contribution. Participation in training of residents/medical students is also desirable. Candidates must have their Infectious Disease Fellowship and be registered with the CPSO.

Belleville General Hospital has 238 beds including 21 ICU beds, a busy emergency room, full imaging support including nuclear medicine, a multi-slice CT scanner with a Picture Archiving and Communication System (PACS) and an MRI.

Members of the Department of Medicine and Critical Care work in a collegial atmosphere and include specialists in cardiology, critical care, general internal medicine, gastroenterology, nephrology, endocrinology and oncology.

The Quinte Health Department of Medicine and Critical Care operates in close conjunction with our tertiary partners at Kingston General Hospital. There will be opportunities for faculty appointment, resident supervision, and a variety of CME opportunities in conjunction with Queen's University.

Successful applicants will possess Royal College certification in General Internal Medicine and Infectious disease and will be eligible for independent licensure with the College of Physicians and Surgeons of Ontario.

Excellent communication and team skills, and demonstrated leadership potential will be an asset.

Quinte Health has 1,800 staff members and 320 medical staff who provide a wide range of high quality health care services to a region of 160,000 residents. Care is provided through four hospitals – Belleville General Hospital, North Hastings Hospital, Prince Edward County Memorial Hospital and Trenton Memorial Hospitals – and includes four emergency departments, operating rooms at three sites, inpatient services (including acute medicine, intensive care, obstetrics, paediatrics, mental health, complex continuing care, rehabilitation and surgery), a rehabilitation day hospital, children's treatment centre, ambulatory care clinics, community mental health programs, and a range of diagnostic services.

The Quinte area is in south-eastern Ontario. Our hospitals are located in Belleville, Picton, Quinte West (includes Trenton and Brighton), and Bancroft. The area includes some of the most diverse and beautiful countryside in Ontario. From the lakes of Bancroft down to the wine country, picturesque towns, and Sandbanks beach of Prince Edward County, and through the more urban Belleville/Quinte West/Brighton corridor alongside Lake Ontario, almost every lifestyle interest can be found within the communities served by Quinte Health. The region offers low cost of living, affordable homes, and excellent schools as well as quality local theatre, shopping and restaurants. Belleville and Quinte West are located along the highway 401 corridor, and Toronto, Ottawa, Montreal, and Kingston are all easy driving distance.

For more information or if you're interested in joining our team, please send your CV and cover letter, and references to:
