

No Stewardship without Stewards:

Resourcing your Antimicrobial Stewardship Program

Join us for a review of the challenges, successes, and best practices in resourcing antimicrobial stewardship programs.

Date:

Wednesday,
December 3, 2025

Time:

9:30 am PT / 10:30 am MT /
11:30 am CT / 12:30 pm ET
/ 1:30 pm AT / 2:00 pm NL

Location:

Zoom registration required

Moderator:

Bradley J. Langford PharmD,
BCIDP, MPH
Pharmacist Specialist, Antimicrobial
Stewardship Program
Public Health Ontario

Presenter:

Valerie Leung, BScPhm,
MBA
Antimicrobial Stewardship
Program Lead
Public Health Ontario

Learning Objectives:

By the end of the webinar, participants will be able to:

- Describe the current state of Canadian hospital antimicrobial stewardship program (ASP) resourcing compared to national and international recommendations.
- Summarize key findings from the literature on how ASP staffing levels impact programmatic, prescribing, and clinical outcomes.
- Identify at least three actionable strategies to improve funding and resourcing of their own ASP.
