

# Turning the Tide on Resistance:

## Local Leaders, National Goals for Antimicrobial Stewardship

Join us for a panel discussion highlighting progress on antimicrobial stewardship in three provinces and exploring ways to move forward on shared commitments to tackling antimicrobial resistance.

### Moderator:

To be announced /  
TBA

### Panelists:

**David Patrick,**  
MD, FRCPC, MHSc,  
Medical Epidemiology Lead for  
Antimicrobial Resistance,  
BC Centre for Disease Control and Professor,  
UBC School of Population and Public Health

**Robert Strang,**  
MD, Chief Medical  
Officer of Health,  
Department of Health and  
Wellness, Government of  
Nova Scotia

**James Turner,**  
Assistant  
Deputy Minister,  
Ministry of Health,  
Government of  
Saskatchewan

### Date:

Monday, October 20, 2025

### Time:

9 am PT / 10 am MT /  
11 am CT / 12 pm ET /  
1pm AT / 1:30 pm NL

### Location:

Zoom registration required

### Learning Objectives:

By the end of the session, participants will have:

- Increased knowledge of provincial initiatives and progress in implementing antimicrobial stewardship (AMS);
- Greater insight into distinct challenges, strategies, and opportunities for AMS in different jurisdictions;
- Improved understanding of how healthcare providers and the public are being engaged in antimicrobial stewardship.
